Dear Community Partner,

Central Valley Pride Center/ MoPRIDE will be hosting Living Proud a World AIDS Day community event on December 1st 2019. This years event is extremely important due to the rise in new HIV infections in Stanislaus County. The goal of this event is to spread awareness, to unite our community in the fight against AIDS, empower those currently living with HIV and to remember those who have been lost. Start talking, stop HIV. We will have free contraceptives, prevention education and rapid HIV testing. This year's event will be held in downtown Modesto at the Centre Plaza and will include a health fair with live music and community art projects.

We are currently looking for sponsors in order to meet our mission and provide services in our community. We rely on the generosity of community-minded organization like yours for support. Without your assistance we wouldn't be able to make this event a success. By becoming a sponsor you will not only enable us to provide an important community event but you will be showing our community that you stand with us in our fight to stop AIDS.

Thank you for your consideration,

Britni Hodge
Center Manager
