UNHOUSED

Our location on 12th and D St. allows our unhoused community to access no barrier services. Many LGBTQ+ folks that are unhoused or dealt with correctional facilities report having to hide their identity due to significant safety concerns.

FOOD / CLOTHES

The majority of folks that come only for food are seniors on a fixed income. Several regulars take addition food for elderly or disabled neighbors. No barrier food and clothes helps many inter-generational homes and every youth is offered a free book to take home.
